## Civil Service Board Adopts Rules And Regulations Pact

### Few Citizens Attend Meeting At Which Plans Were Made Public

That citizens of Belle Glade might know what the new Civil Service Commission had in mind for the organization and of its department, a public meeting was held at the City hall, on last Friday night, which was attended by a group of citizens and 49 citizens.

This code of Rules and Regulations, based on the privileges of the legislative charter, and other desirable sections from other codes, were read and then thrown open for discussion by any one who desired to do so, and there a few minor suggestions that were adopted.

City Commissioner Julius Harris, who was the chairman of the committee which set up the Commission, and who had given the subject close attention, also suggested a few additional provisions which he felt in his opinion that a good place of work had been done by the Board, and that the City of Belle Glade and its citizens' interests would be well protected in their respective interests, for the future.

Following the open meeting the Civil Service Commission met, made desired changes in the text, and then adopted it unanimously.

The Board will now take up the work of formulating a schedule of work hours, salaries, and other items of the plan, which is provided in the state act. Dates for examinations will also be determined, and the Board will then meet with the city, will be notified.

### PRETTY AND PERKY SALADS FOR CHRISTMASTIME MENUS

By BETTY BARCLAY  
From the "Pretty and Perky Salads for Christmastime Menus" by Betty Barclay, published by the American Power & Light Co., Inc., and available at the "Home Office" in Belle Glade.

These salads are made with a little imagination and a few simple suggestions for the holiday season is a salad sensation made from creamy mayonnaise, cheese, and fruit, or a fruit salad with sautéed cranberries for a change.

The salad is made from products many houses have on hand, and can be prepared in a few minutes. For an individual serving you will need:

**Pear-Cranberry Salad**  
1 Washington Bartlett pear half  
2 tablespoons cranberry sauce  
1/2 cup mayonnaise, lettuce, or watercress

French dressing or mayonnaise  
On a bed of lettuce, place a canned Washington Bartlett pear, cut in half. Place a combination of cranberry sauce, mayonnaise, and lettuce on the pear attractively. Top with French dressing or mayonnaise.

Simple, yet it offers a color symphony that moves this salad into the top of the list. It is a good salad to roast turkey, roast ham or other meat.

Bartlett pears are the best known variety of pears. They are fragrant and juicy. They are especially popular served as a fruit dessert, too. Cut them when chilled that makes them taste better. They are delicious when given a little cream.

They are free from pleasantries.

For an individual serving you will need:

**POWER COMPANY GAINS 30,000 STOCKHOLDERS**

Florida Power & Light Co.'s common stock will be distributed in all of the 48 states, the District of Columbia, U. S. Possessions, Canada, and many foreign countries. The distribution of an order of the Securities & Exchange Commission which was upheld by the U. S. District Court for the Southern Dis-

trict of New York last Monday, will give 3,400,000 shares of Florida Power & Light Co. common stock to be distributed by the American Power & Light Co. to its stockholders. The distribution will be made to the owners of the preferred and common stocks of the company. The date of distribution has not been set, it is anticipated that it may take place early in 1950.

## LEFT is RIGHT ON THE HIGHWAY

That's right! When you walk on the highways in rural areas, always walk on the left side of the road.

There is plenty of room for this. Last year for every person who died in a traffic accident, two others were injured.

Two thousand persons were killed in traffic accidents in 1948, and 32,000 were injured.

### Postmaster Farnall Announces Post Office Hours For Christmas Mail

In order to take care of all business, the post office is making their parcels ready to mail. The post office will stay open until 6:30 p.m. on Saturday, December 17, and the post office windows will be open until 8 a.m. till noon on Sunday, December 18, according to postmaster Farnall.

In addition, beginning Monday, December 19, stamp will be put in the lobby of the office for those who wish to buy a stamp only. Mail rates will also be payable the following day, in the lobby.

It will be greatly appreciated by the post office staff if patrons will send a list of addresses all faced one way and a list of names of duty in the lobby instead of depositing them in the letter drop.

Due to the fact that Monday, December 26 is an official holiday, the parcel post and general delivery windows will remain closed on Christmas eve until 9:00 a.m. The public is urgently requested to get their parcels out of the office before the closing deadline and refrain from waiting for additional service, as most of the office personnel would also like to celebrate Christmas with their families. Hours will be limited to service only on Christmas Day, and the following day. Mail will go out as usual.

Mr. Farnall also requests that all box holders empty their boxes periodically. With greeting cards coming in now and more and more boxes becoming nearly filled, and if the boxes are not emptied, additional mail to be placed on the ledge, will be another delay, and do not work.

Work on the new livestock building for the Florida State Fair is moving along rapidly. With fill being moved in and steel being set in place, officials expect the building to be completed in time for the opening January unless bad weather should interfere with the building program.

This new livestock building, to be one of the finest in the Southeast, will have a seating 632 persons and a show ring 45 feet by 62 feet, where the judging will take place. The building will house 350 animals.

With the completion of the \$85,000 livestock building program, the new building will still be only about two-thirds completed, as the fully completed building will be about 240 feet by 240 feet. Not available presently is the construction of the building as designed for the 1950 Fair.

This year for the first time, livestock will be split, with pure bred dairy cattle being shown at first and pure bred beef cattle in the latter part of the Fair. The Fair will be held from Jan. 31 to Feb. 11.

### Christmas Seal Returns Reported As Black And Speedup Requested

Headquarters of the Florida State Fair, in preparation in making report of sale to the end of last week, state that sales show a decline over last year, the total sales for 1948, out, enclosing seals, only around 4,000 have made return.

Out of the 27,000 communications sent out, enclosing seals,

truck drivers, and casual labor.

As the FSES office is an organization for service to the entire community, Larimore has been in close touch with the Employment Office, regardless of kind or duration of job. Unemployed workers are also welcomed to register for jobs. Job orders should be phoned to 2931 and job seekers should contact the local office at 109 S. Main Street.
